Board Members:

- Anthony Forte
- Kimberly Gibson
- Raymond Hutson
- Desmond Bryant
- Chris Gawronski
- Terrence Lawrence

Our Program

Mason Run High School offers its students a standards based, computer assisted learning environment where teachers guide and support our drop out recovery students as they work toward a high school diploma. The staff at Mason Run High School includes Properly Licensed Teachers who engage students in learning best practices. Students can work at their own pace to recover credits and get individualized support they need.

As a student enters Mason Run High School, they participate in a critical evaluation of their academic abilities and learning skills designed to create a tailored plan for learning. Past credits are included in the student's learning plan. STAR scores and other pertinent data are used to create a clear road map to diploma completion and post-secondary goals. Our curriculum is mapped to Ohio's Learning Standards for all core courses. Mason Run High School was in session 170 days/935 hours of instructional time for the 2023-2024 school year.

2023-2024

Additional Instructional Programs

Mason Run High School is committed to providing quality educational services for all students enrolled in our school. The staff collaborate to prepare each student to reach their full potential and to become a contributing, successful member of their communities. We direct students to achieve academic skills while facilitating social and emotional development, with a goal of producing lifelong learners.

Mason Run High School provides special education staff to meet the individual needs of students with disabilities. Students with disabilities and other special needs are served cross-categorically and in a variety of settings with varying levels of support based on the student's individual need.

We recognize that all of our students with disabilities are general education students first. We strive to work with staff and stakeholders to develop and implement services in the general education classroom. The majority of students spend the greater part of Mason Run High School day within the regular classroom. Mason Run High School is committed to the inclusion model of special education.

Mason Run High School goes beyond traditional curriculum instruction. We individualize learning with our career programs. Mason Run High School offers a comprehensive core curriculum that integrates industry recognized credentials, soft skills, and job readiness skills to prepare students for employment and volunteer opportunities, which Mason Run High School initiates. These programs and opportunities offer our students broad experiences including job-seeking techniques, interviewing skills, resume writing, and character education. For the students' personal well-being, we place a great emphasis on life skills including consumer credit and insurance, how to find a place to live, budgeting, buying a car and dealing with employment challenges.

A Mason Run High School experience provides more than a high school diploma. We measure our success not just in terms of academic achievement, but also by our students' personal and professional growth. We inspire students to do their best – in the classroom and in the community. The individual achievements of our students become successes for our communities because our graduates enter the workforce as educated, civic-minded, and productive members of society.

Fiscal Responsibility

The following is a summary of Mason Run High School's financial position for the year ending June 30, 2024.

Assets: \$3,283,527

Liabilities: \$76,803

Operating Expenses: \$2,228,423

Operating Revenues: \$2,302,192

- T**eamwork

Graduation Rate

Mason Run High School offers students who are at risk of dropping out, or who may have already dropped out of traditional high school the opportunity to re-engage and earn a state-recognized diploma. Students who would otherwise opt for a diploma equivalent have the opportunity to graduate from Mason Run High School on time. The State of Ohio calculates the number of students who enter the 9th grade for the first time, adjusts for population, and formulates its projection of the number of students who actually earn a diploma four years later in determining a school's graduation rate. Based on the state's calculations, Mason Run High School 4th, 5th, 6th, 7th and 8th year graduation rates for the 2023-2024 school year are shown to the left. Mason Run High School continues to strive to increase that percentage every year and is proud of our results considering these students would not have graduated otherwise.

Model CTE Pathways

Mason Run High School offers students six Model Pathways aligned to Career Readiness:

- Healthcare
- Hospitality
- Construction
- Business & Marketing
- Education
- Manufacturing

SPONSOR STATEMENT

Educational Resource Consultants of Ohio, Inc., (ERCO) sponsor of the school, is legally mandated to provide oversight, monitoring and technical assistance. All community school sponsors are required to submit a written report of the evaluation results of the school's academic, financial, and organizational performance as well as the school's legal compliance to the Ohio Department of Education and Workforce. This report must be made available to parents of students enrolled in the community school by November 30th of each year (OAC3301-102-05 (A) (3)). An annual report regarding the performance of this school and other schools under the sponsorship of ERCO will be posted on our website www.ercoinc.org no later than November 30th of the current school year. Parents are urged to review this report, as well as other monitoring and evaluation reports concerning the school. These reports are available at the school, or the sponsor's office. The reports are generated to provide you with a full comprehensive understanding of the school's performance.

Extra-Curriculars

Mason Run High School held several activities throughout the 2023-2024 school year to encourage well-being, positive behavior, and a spirit of community. Some of these activities include:

- Students had a PBIS incentive of Bowling. Students with no behavioral referrals and 70% daily attendance were invited to participate.
- Students who completed 5+ credits throughout the school year were invited to an end-of-year Kings Island trip.
- Mason Run held a Spirit Week each month. The students' favorite was a costume contest during the month of October.
- Students were treated at various times to Taco Tuesdays for being present in the building and filling their goal sheets with ten assignments.

The School is a community school established under Chapter 3314 of the Revised Code. The school is a public school and students enrolled in and attending the school are required to take proficiency tests and other examinations prescribed by law. In addition, there may be other requirements for students at the school that are prescribed by law. Students who have been excused from the compulsory attendance law for the purpose of home education as defined by the Administrative Code shall no longer be excused for that purpose upon their enrollment in a community school. For more information about this matter, contact the school administration or the Ohio Department of Education and Workforce. All information contained in this report was accurate to the best of our knowledge at the time of printing.
