STUDENTS & FAMILIES

Welcome to a new year! Whether you are currently enrolled in College Credit Plus courses or thinking about taking a class next year, now is a great time to learn more!

2024-2025 Information Sessions

Your school should be gearing up for this year's College Credit Plus information sessions, where you can learn more about taking college classes to earn both high school and college credit, as well as any changes to the program for next year. Reach out to your student success coach for more information – these sessions must be held each year between October 1 and February 15. There are several updates to the program this year, so make sure you plan to attend this important meeting!

Please contact Ms. Keese if you are not able to attend the Meeting, but would like more information.
