DORP Extended OST Window

Students may only utilize one fall OST window and one spring OST window; they cannot test twice in one window.

Mark all students as DORP

Testing Plan 2024-2025

Star Testing

- Returning students will pre-test test in the first two weeks of Window 1
- New enrollees will pre-test on day one of Discovery

- Returning students will post-test in the first two weeks of Window 2
- New enrollees will post-test 13+ weeks from their pre-test

OST Testing

- Students have the opportunity to test in extended DOPR OST windows
- Testing Coordinators will register students in TIDE prior to the beginning of the extended test window
- Testing Coordinators will determine student testing needs
- Testing Coordinators will work with administration to notify students and families of scheduled testing sessions

- Students may also test in traditional testing windows
 - 15 consecutive days in the fall
 - 15 consecutive days in the spring for ELA 2 (including makeups)
 - 15 consecutive days in the spring for Math, Science, Social Studies (including makeups)
- Students may only access one OST window in both the fall and the spring
 - Students may not utilize the extended window and traditional window during the same season

OELPA Testing

- Students identified as ELL (who have already been screened) will sit for all four sections of the OELPA and they score 4 or 5 on all tests in the same session

AASCD Testing

We do not anticipate any students taking the Alternative Assessment for Students with Cognitive Disabilities

ACT Testing

- All 11th grade students will be registered for the state-funded ACT
- Students will test in during the first ACT window—including accommodations
- Fee Waivers will continue to be offered to any interested students to test on a National test date
