Dear Mr. Forte:

The Capital High School Board of Directors Safe School Policy requires that the School Leader provide the School's Board President a semi-annual written summary "limited to the number of verified acts of harassment, intimidation, and bullying, whether in the classroom, on school property, to and from school, or at school-sponsored events." Pursuant to this policy, we are reporting via this letter that your School has had zero verified acts of harassment, intimidation, and bullying for the first half of the 2023-2024 school year from July through December, 2023.

We appreciate all that you do for your School and will continue to follow Board Policy requirements on reporting.

Very truly yours,
